Admin Update

Many of you know that Ms. Amber took over much of the director's role during Ms. Sam's maternity leave. Throughout the past year, she has stepped up to the administrative role frequently during illness or planned time off. We're thankful for her tremendous support in maintaining the center during these times, and we have decided to continue her administrative role. Ms. Amber's hours have changed to 7am so she is available during the morning hours if admin is needed before Ms. Sam arrives at 9am. If you have questions or concerns, please feel free to check in with her at any time as you would with any other administrator.

Temporary Primary Staff Change

Ms. Jessica is taking some time away from the primary classroom to help support preschool and pre-k. She will remain the primary lead teacher and will check in periodically. In the meantime, we will do our best to provide a consistent staff presence in the primary classroom. If you have any questions, please feel free to contact an administrator.
