The Lancaster County EXTRAgive is November 19. K-Prep is asking your support of the Edible Classroom, the program that provides all the garden education for our students. In addition to weekly lessons, they helped maintain our plants throughout the growing season, shared seed packets with families and coordinated donations of soil and compost to continue the life of the garden. Please show your support of the garden by donating to The Edible Classroom on Nov 19. Visit:

Please help us prevent any further quarantines. If your child is sick, please keep him/her home. We are all doing our best to stay happy and healthy!
