Teacher Updates

- Ms. Jaelyn will be assisting Ms. Chrissy in our Junior classroom. She has years of experience in nursing, including pediatrics. She is new to childcare but displays a natural love for the children.
- Ms. Gracyn, Ms. Lailani, & Ms. Kayla are all high school students enrolled in the Early Childhood Education program through the Lancaster County Career & Technology Center (CTC). You will see them floating around in different classrooms so make sure to say hi! 😊

We are proud to share this community partnership and provide learning opportunities for upcoming youth in the ECE field.
